Summary

I am an enthusiastic MCA student at MIT-WPU with a strong foundation in various programming languages. Skilled in designing, developing, and maintaining software applications, I am dedicated to leveraging my abilities in web development. My practical experience includes internships where I honed my skills, particularly in responsive website development and server-side logic.

INTERNSHIP

Web Developer, Techprolabz

12/2023 – 02/2024

- Developed and maintained responsive websites and applications using HTML, CSS, JavaScript, and back-end tools Node.js, MySQL, MongoDB.
- Made a server-side logic and APIs using Node.js and Express, integrating them with MongoDB for data storage.

Patna
